

THE CREATOR'S BEAUTY

"... behold the beauty of the Lord ..."

THERESA CLEMENT BATES – Photographer · Potter · Poet

Photography has been in Theresa's blood since she was a child, always known as *"the one behind the camera."* It is this lifelong, God-given passion that has motivated her to take a leap of faith to pursue this gifting as a career.

Working solely with digital photography, Theresa looks for just the right perspective, preferring to work with the original beauty and lighting of the subject content over digital enhancement. *"Beauty is truly in the eye of the beholder."*
